

How to add maps from the community maps list?

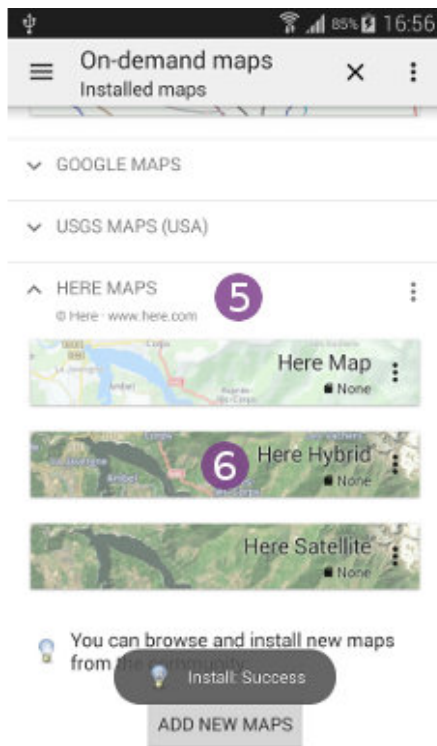

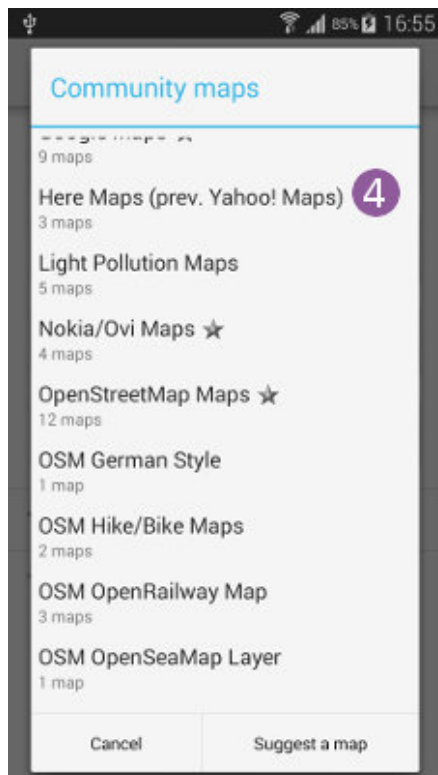

To install new maps from the community maps list:

- Click on the **"Maps"** menu **1** and select **"Available maps"** **2**;
- At the end of the on-demand maps list, click on **"Add new maps"** **3**;

- Wait for the community maps list to update and display, and select any available map set **4**;
- A new category is added to your installed on-demand maps list **5**;
- You can select any map **6**, the list is closed and the selected map displayed **7**.

i Maps with a star icon are maps we like and recommend.
